

**STATE AIR POLLUTION CONTROL BOARD ENFORCEMENT ACTION
A SPECIAL ORDER BY CONSENT
ISSUED TO
GETTY PETROLEUM MARKETING INC.**

SECTION A: Purpose

This is a Consent Special Order issued under the authority of Va. Code § 10.1-1307.D, 10.1-1309, and 10.1-1184, and § 10.1-1316.C, between the State Air Pollution Control Board and Getty Petroleum Marketing Inc., for the purpose of resolving certain violations of State Air Pollution Control Laws and regulations.

1. “Va. Code” means the Code of Virginia (1950), as amended.
2. “Board” means the State Air Pollution Control Board, a permanent collegial body of the Commonwealth of Virginia as described in Code §§ 10.1-1301 and 10.1-1184
3. “Department” or “DEQ” means the Department of Environmental Quality, an agency of the Commonwealth of Virginia as described in Va. Code § 10.1-1183.
4. “Director” means the Director of the Department of Environmental Quality.
5. “Order” means this document, also known as a Consent Order.
6. “Getty Petroleum Marketing Inc.” means the company certified to do business in Virginia.
7. “Facility” means the petroleum dispensing stations located in Roanoke, Virginia.

8. “WCRO” means the West Central Regional Office of DEQ, located in Roanoke, Virginia.
9. “O&M” means operations and maintenance.

SECTION C: Findings of Fact and Conclusions of Law

1. Getty Petroleum Marketing Inc. operates through its independent dealer network facilities in Roanoke, Virginia. These facilities are subject of the Emission Standards for Petroleum Liquid Storage and Transfer Operations, which states that gasoline transfers into underground storage tanks, within Roanoke County, must utilize Stage I Vapor Recovery Systems.
2. DEQ has noted two apparent violations of the Air Pollution Control Law and Regulations. These apparent violations, noted in a September 25, 2002 Warning Letter, and a March 13, 2003 Notice of Violation, include:
 - A. On September 19, 2002, DEQ staff observed a Green Motor Lines (an independent petroleum delivery company) petroleum transport truck unloading gasoline at the Jamison Avenue Getty Mart (#71031) facility without utilizing Vapor Recovery Control equipment. Staff inspected the facility and observed that the Vapor Recovery Control equipment was installed, but that the driver of the transport truck had failed to utilize it. Staff informed the driver, Mr. Stephen King, and the independent dealer/operator of the apparent violation and requested that the equipment be utilized for any further shipments received.
 - B. On March 12, 2003, DEQ staff observed a Green Motor Lines (an independent petroleum delivery company) petroleum transport truck unloading gasoline at the Peters Creek Road Getty Mart (#71704) facility without utilizing Vapor Recovery Control equipment. Staff inspected the facility and observed that the Vapor Recovery Control equipment was installed, but the driver of the transport truck stated that the system was not operating correctly. Staff informed the driver, Mr. Tommy Dooley, and the store manager of the apparent violation and stated that enforcement would ensue.

The observations above are cited under the following regulation.

Section 9 VAC 5-50-5220.E of the State Air Pollution Control Board Regulations states that no owners or other person shall allow the transfer or permit the transfer of gasoline into any stationary storage tank, located in Roanoke County, unless such tank is equipped with a vapor control system that will remove, destroy, or

prevent the discharge into the atmosphere of at least 90% by weight of Volatile Organic Compound emissions.

3. Getty Petroleum Marketing Inc. has stated that Green Motor Lines has been informed of the requirements for Vapor Recovery and that it will require that this petroleum delivery company will ensure the use of control equipment in the future.
4. In the interest of settlement, the parties enter into this Special Order by Consent without the trial or adjudication of any issue of fact for law herein and without this Special Order by Consent constituting any evidence or admission by any party hereto with respect to any issue of law or fact herein.

SECTION D: Agreement and Order
